~ Little-by-Little, The Birthday Profile Section ~

The last time I wrote profiles was volume three... Quite a lot of time has passed, but it's finally time to present their birth dates to the public...!

Kanzawa Hakuou
(still 16 years old)

Birthday: November 9
Zodiac Sign: Scorpio

The setup is that Hakuou had his birthday before Ryou transferred when they were first years

Himura Ryou (17 years old)

Birthday: August 8
Zodiac Sign: Leo

The reason I've said "I wonder if she isn't someone who matches summer..." is because she was born in the height of summer

Kanzawa Aoi
(20 years old)

Birthday: December 13
Zodiac Sign: Capricorn

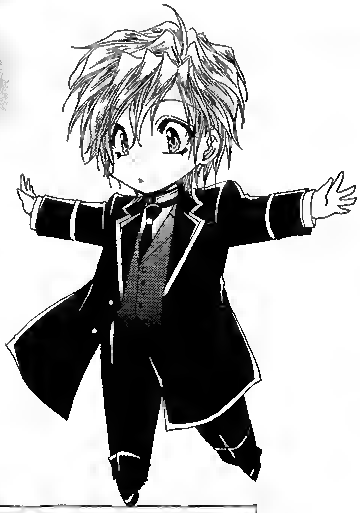
I worry about the kind of birthday she enjoys every year

Kanzawa Riou (10 years old)

Birthday: May 24
Zodiac Sign: Gemini

As far as the flow of the story in volume two is concerned, the setup is after the sakura bloomed but before the seasonal change of uniform

The Kanzawa siblings too.



Kanuka Hayato (still 17 years old for a little while longer)

Birthday: March 31
Zodiac Sign: Aries

He really seems to have been born in summer, but he was born in spring. Nearly one-year difference with Iori.

Thus their powerful relationship ?

Douke Iori (18 years old)

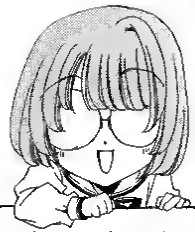
Birthday: May 25
Zodiac Sign: Gemini

It's because his image is "His birthday is probably earlier than Hayato's and Hakuou's."

Sendou Masaki
(17 years old)

Birthday: September 23
Zodiac Sign: Virgo

I think the word "virgin" suits him somehow. Am I the only one...?



Asamiya Kaoruko
(17 years old)

Birthday: April 27
Zodiac Sign: Taurus

Unexpectedly, her role is similar to an older sister who watches over everyone, so her birthday is the earliest.

Kusunoki Makoto
(16 years old)

Birthday: January 11
Zodiac Sign: Capricorn

Because her image is a Japanese-style New Year.

Since she was introduced in volume eight, I'll include her other profile data as well.

Height: 156 cm
Blood Type: Type B

I tried to line them up according to the order of their birthdays
(starting from April)

"Truly, the delay in my replies is inexcusable...! Even now, I am delayed more than once a year. Aah... I'm sorry...." Please forgive me...

Thank you for giving me warm words like "Take care of yourself." I am honored and privileged to see them while chanting "Thank God thank God."

Volume eight - as the so-called introduction of new characters and development of Ryou's feelings, but I wonder how it was. I'll be very happy if it can be received with all sorts of suspense and excitement.

Well then, see you in volume nine!!

Thank you so much.

To all the readers, the editor-in-charge, Tsuyama-san, my family who supports me, all who took part in this manga.

And to all who gave me a hand.

I get to learn so many things while working!
